# The Bible Story Condensed

The Bible is one of the most popular and yet misunderstood books in the world. It is possible to know a lot about the Bible without really understanding the Bible and how it all fits together. God could have written the Bible so that only Greek scholars or theologians could have understood it. Instead it was written so that it could only be understood by seekers who have the heart of a little child.

We are going to take a “20,000 foot view” of the Bible. It is so easy in Bible study to see the “trees” and miss the “forest”. This lesson is taking an aerial view and checking out the forest! Many folks have a hard time understanding because they do not look at things in context and see how it all fits together. This “Big Picture Presentation” will give a frame work to understand the Bible.

The word Bible is from the Gk word for Book. This is the Holy Book, made up of 66 books total:

How could 40 men have written this book, separated by language, culture and time, all writing on controversial subjects, and yet all speak with one voice and perfect harmony?

Why do you think this is true of the Bible? (Wait for response)

That's right...because it is **inspired by God!**

It would be impossible without there being one conductor, who orchestrated all of these events, and moved these men to write by the Holy Spirit so it all fits together. Each of these 66 books are like instruments which play together in beautiful harmony.

The internal evidence of this book is one of the most powerful evidences that this book was written by God (II Tim 3:16-17).

This one beautiful theme throughout history is truly amazing!

In the New Testament it is referred to as simply the “gospel.”

# 1 Theme

God's Plan of Redemption

We see its importance in that the admonition to teach others the gospel are the last words Jesus spoke on Mt. Olivet before he ascended into heaven.

God wanted this message to be communicated to all mankind!

BTW.. Do you know what word gospel means?

Yes... **good news or glad tidings!**

# The Great Commision

“Go into all the world  
and preach **the  
gospel** to all creation.”

~Mark 16:15

SEEING  
THE **BIG**  
PICTURE

This urgent and important command was  
the last words of Jesus before ascending!

The gospel stands between man and salvation.

It is the **power of God unto salvation** – not a fuzzy feeling, but a clear message of salvation.

# The Power of God: The Gospel

“I am not ashamed of  
**the gospel** for it is  
the power of God for  
salvation....”

~Romans 1:16

SEEING THE **BIG**

It is objective **truth**. It is the truth that sets us free (Jn 8:32)!  
How one responds to the gospel is a critical turning point in  
each person's life.

And interestingly, it must not just **be believed, but obeyed!**

<**That is what 2 Thess 1:7-9 makes clear...**>

**The Gospel is a  
Message of **Salvation**  
for **Every** Person.**

**SEEING  
THE **BIG**

The Gospel is **Objective** Truth!

It makes sense that those who don't believe in God or know Him will be rejected at Jesus' return, but this text says also those who have **NOT obeyed the gospel!**

**How does one obey the facts of the gospel?** How can I obey facts? Illust. I believe George Washington was the first president of the US. I believe that fact and accept it; but how can I obey that fact?

The Bible reveals how the facts of the gospel can be obeyed! We will discuss this later in the lesson.

**This is Serious stuff!** God will absolutely condemn anyone who rejects the gospel.

**The gospel is critically important! <It gets even scarier>**

# The Gospel Must Be Obeyed!

“the Lord Jesus will be revealed from heaven with His mighty angels in flaming fire, dealing out retribution to those **who do not know God** and to those **who do not obey the gospel** of our Lord Jesus. These will pay the penalty of eternal destruction, away from the presence of the Lord and from the glory of His power”

~II Thessalonians 1:7-9

SEEING THE **BIG**

Amazing these Christians began to change the gospel message. Tragic. This passage makes it plain, there **is only one gospel and we have to get it right.**

This one gospel is the *differentiator* of various Christian religions. It is exactly the fact that not everyone is teaching the same or the one gospel that causes so much confusion.

Do you see how important this is? Our salvation is **completely dependent upon our ability to know and respond to the one gospel.** Not even an angel from heaven is allowed to change it or try to improve upon it.

# A Serious Warning to Christians

“I am amazed that you are so quickly deserting Him who called you by the grace of Christ, for a **different gospel**; which is really not another; only there are some who are disturbing you and want to distort **the gospel** of Christ. But even if **we, or an angel** from heaven, should preach to you a **gospel contrary to what we have preached** to you, he is to be accursed! As we have said before, so I say again now, if **any man** is preaching to you a gospel contrary to what **you received**, he is to be **accursed!**”

~Galatians 1:6-12

So, There is only one gospel and we have to get it right. It has grown up from the roots of the Bible and the plan of redemption was put into place as soon as man sinned. But ... how can we be sure

You see, we are no longer under the Old Testament, it is still of great value. Indeed... “there’s gold in them thar hills!” (Optional phrase, use only if comfortable).

The OT is supposed to teach us something. Something very important. The OT was a learning/training/teaching period so that we could be “brought to Christ” so that “we may be justified by faith”.

The OT was “written for our learning”(I Cor 10:11) to reveal ***foundational principles*** necessary for us to understand the NT and the gospel.

To Bring Us To Christ

**Justified By Faith**

(Read this text as the presenter and stop after you get to the point of this slide and that is the fact it was done before the foundation of the world). Then explain....

In the very beginning before man was even created, God (who is a Spirit) purposed that He would have spirit beings made in His image that would worship Him.

He put our spirits inside these physical containers. ***We are here for this short life to show God that we choose to serve and love Him.***

That is our purpose and that is God's purpose in creating us. Illust. ***Similar to parents today.*** Most often they have children so they can share their love with them, and hope they will love them in return. We don't want to make our children love us, we want them to choose to do so.

Since God created mankind with a **free will** (the ability to choose to either sin or not sin), doesn't it make sense that he would make provision in case man chose to sin?

That is why He planned a scheme of redemption before man was even created! He decided in advance He would not abandon us.

**<Another thing we need to look at is our concept of God.>**

# the Eternal Plan

**FREE  
WILL**

SEEING  
THE **BIG**

“...He chose us in Him **before the foundation of the world**, that we would be **holy and blameless** before Him.”

~Ephesians 1:4

“He has now reconciled you in His fleshly body through death, in order to present you before Him **holy and blameless** and beyond reproach — **if indeed you continue in the faith** firmly established and steadfast.”

~Colossians 1:22-23

This is it. **God is holy.** The OT emphasizes this over and over again. Some things are clean, some things are unclean. Some things are holy, some things are not. God is Holy and clean. Man is sinful and unclean and needs cleansing!

It is interesting, that the Bible states that “God is Love” (I John 4:8) but it never says God is Love, Love, Love. But it does state several times both in the Old and New testament, that God is **HOLY, HOLY, HOLY!** (Isa 6:3 Rev 4:8). This is the reason why we reverence Him!

**All of the interaction that we have with God is determined by this fact.** Fortunately, the fact God is holy also means God is good.

Consider His omnipotent power. He does not use it to abuse or manipulate, but uses it only for our good. All of His power is governed by of His goodness and holiness. Everything He has done as a beneficent Father is because He wants what is in our best interest.

**<There are two important characteristics which flow from God's Holiness>**

**God  
is Holy**

**SEEING  
THE BIG  
PICTURE**

So we do see a **God of Justice** – He will **always be faithful and do what He says He will do.**

But we also see a **God that dearly loves His creation** even to the point that – as we will see – He wants to make provision to help man out of the predicaments caused by man's rebellion.

God's justice which will not allow Him to just “overlook” or “sweep man's sins” under the carpet. No, sin is serious and has to be dealt with!

**<The holiness of God creates a demand and expectation on His relationship with man....>**

THE **BIG**

God's holiness is demonstrated in His  
justice **and** love toward His creation.

When man can exhibit the characteristic of holiness God has a union and relationship with man that is called spiritual fellowship.

We are spirit beings that inhabit earthly physical bodies. (Not bodies with spirits so much as spirits with bodies!) The earthly bodies are temporary and mortal. Our spirit bodies will soon leave these bodies and inhabit the true reality that God has prepared for eternity.

**<This relationship is only possible if man can be found in a state of holiness because this is the only realm of existence with God... but alas this is the problem of man!>**

# A Desired Relationship

Spiritual  
Fellowship

SEEING  
THE **BIG**

So, God expects as much as possible, that *we be Holy, as He is Holy!* God wants a *spiritual relationship* with us. He is a **Holy Spirit** and in order for that to occur we must have spirits that have been cleansed from sin. Once we are cleansed, we can be holy as well.

This is the idea of **Sanctification** - to make holy or set apart before God. This is usually connected with having our sins cleansed. We cannot be presentable to God if we have sin present in our lives.

**<God expects man, that is made in His image, to be Holy as He is holy. *It is possible!* That fact is part of the good news! But it is not easy...>**

**God is of such purity and sin is such a revulsion that He cannot look upon sin! (Habakkuk 1:13).**

This is the real problem of sin .... **It separates us from God!** (Isaiah 59:2). There is no evil in Him whatsoever!

# God is Holy

“Your eyes are too pure to approve evil,  
And **You can not look on wickedness**  
with favor...”

## Sin Separates Us From God

And your sins have **hidden His face** from  
you so that He does not hear...”

~Isaiah 59:2

SEEING  
THE **BIG**

God exhibits an attitude of **hatred**  
and **disgust** for all that is wrong.

That's why when sin (any sin) separates us from God it is described in the most drastic terms – all sin represents **a capital crime! Spiritual Death** – (not 5 minutes in the naughty corner, or a few minutes in purgatory).(Optional phrase. .use only if comfortable)bh

Did you see the classic movie “The Sixth Sense?” It came out in 2000 and starred Bruce Willis and a six year old played by Haley Osment. Haley would frequently exclaim: “**I SEE DEAD PEOPLE!**”

The truth is that we walk among the spiritual dead every day. Anyone who is alive but is mature enough to be accountable before God and has sinned is spiritually dead!

< **This is what Romans 6:23 tells us about the wages of sin...**>Sin is the problem of each of us. All of us at one time or another has exercised our free will and chosen to sin. That causes us to be separated from God.

I like to tell people that “**If the wages of sin is death, we better quit before pay day!**” (Optional phrase.. use only if comfortable)

<**But here is where the problem gets serious...**>

The judicial price that God has set for sin is nothing short of the death of the sinner. **The death penalty! A LIFE MUST BE PAID..** This reflects the seriousness of sin. And it is on the head of every sinner.

God says there is only one thing that will pay for sin, and that is the fact that your **LIFE IS REQUIRED.**  
**BLOOD is required.**

Being good will not take care of this problem.

**If I sin, who deserves to die, or pay the penalty for my sin?**  
(Pause and wait for an answer) **That's right: I DO.**

**<Let's summarize what we have learned so far about the two types of death that we face and the Judicial penalty for sin.>**

Death by definition means **SEPARATION**.

- Spiritual death is separation from God (Romans 6:23).
- Mortal death is separation from our bodies (Genesis 3:19).

The reason for spiritual death is the **JUDICIAL PENALTY FOR SIN WHICH IS HANGING OVER OUR HEAD AND IS REQUIRED OF EVERY SINNER**.

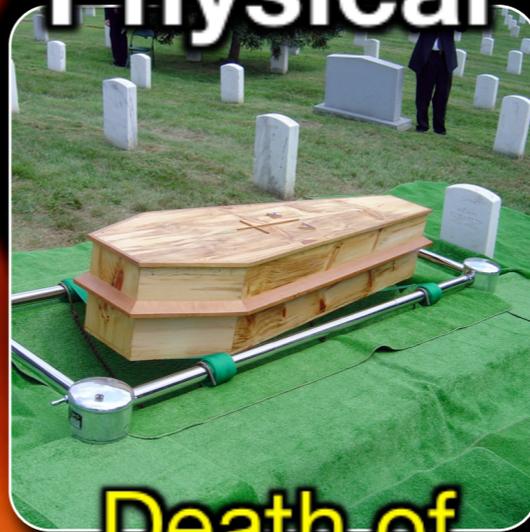

Because of the seriousness of sin = the price of someone's **LIFE** must be given to have their sins remitted.

<**So what is man's problem?**>

SEEING THE **BIG** PICTURE

Life as payment for sin is required for every sinner. Physical death results from Adam and Eve’s first sin while spiritual death results from the individual’s sin.

The principle so many overlook is that the price for sin is *personal* – no thing or no one else is responsible for the price for my sin – it is on *my* head – it is on *your* head – it is on the head of everyone who sins!

**So man is in a miserable situation. He has a price on his head that he cannot pay. Is there any hope? What is the remedy?**

**<Yes, God reveals for us the flip side of His character and His Holiness.>**

# God's Justice **Demands** Death as Payment for Sin!

- Our situation is desperate.
- We have violated God's law.
  - This has separated us.
  - The death penalty hangs over us.

SEEING  
THE **BIG**

Having nothing to offer, we cannot pay the price ourselves and live!

If we only experienced the **JUSTICE** of God it would be a short story for all of us. But the other side of His holiness is His **LOVE** as demonstrated in His grace and mercy. God says, let me help you find a way to pay this price that separates us! Through **GRACE** we receive **LIFE**, which we do not deserve, and through **MERCY** we are spared **DEATH** which we deserve for breaking His laws!

People often confuse grace and mercy and use them interchangeably. This **is a mistake**. Assume for a minute that you don't realize it but you are speeding. The police catch you on their radar system red handed. You knew the law, you violated it, and you are guilty and deserve to pay the fine. However, assume you are humble and respectful, admit you messed up, and apologize. If the police officer says: *"Okay: I will let you off with a warning. Just be more careful next time."* You are the recipient of **MERCY**. You did not get what you deserve. But let's assume that he smiles and says: *"I really have taken a liking to you. I am in a good mood today because I just got news I have received a large unexpected inheritance. I am a wealthy man! Here is a check for \$1,000. Enjoy! I wanted to share my blessings with people today! God bless!"*

Wow! **How would you feel?** Would you want to tell others about it? Congratulations -- you were a recipient of **GRACE**. You received this gift you did not deserve! Do you see why God's grace is "good news?" Not only did he enable you to avoid hell (something sinners deserve) but he has prepared the way for heaven (something none of us deserve). Do you see why this is good news!

<**So how did God show His mercy in the OT?**>

# Grace

God **gives** what  
is **not** deserved,  
**Life!**

“In the forbearance of God  
He passed over the sins  
previously committed.”

~Romans 3:25

# Mercy

God **does not give**  
what **is** deserved,  
**Death!**

“The wrath of God is  
revealed from heaven  
against all unrighteousness.”

~Romans 1:18

God's **love** provides  
a way to pay the price!

This is where we see that God's loving-kindness comes in to help man out from the penalty demanded by His justice.

All that blood in the OT is the mechanism that God uses to demonstrate His mercy

This is what **animal sacrifice was all about**. It was God's way to demonstrate His grace or mercy!

If you will offer up this animal, I will allow its blood to be shed *instead of yours*, and you can have its death representatively take your place.

**<Man's redemption is all wrapped up in the idea of Blood Atonement which was pictured for us way back during the time of Noah and the ark.>**

# Mercy

# Blood

SEEING  
THE **BIG**

The animal's **blood** was offered  
in place of the person's **blood**.

God says, “On the day that animal sacrifices are made atonement will be made for you!” Blood atonement enables us to be **cleansed from our sins...** in God’s sight.

When this happened, faithful worshippers were forgiven and made **HOLY**. As a result they could now be “set apart” or **sanctified**.

In short, even though man broke God’s laws, God’s provision for atonement allows us to experience spiritual reunion with Him. This is called “**reconciliation**.”

<**Consider this key statement made in Lev 17:11**>

In Lev 17:11 this is explained more fully. (Read).

The Life of the animal is the context here, and that shed blood made for atonement (a covering or cleansing of sin) in the OT.

**God uses blood (or life) to make atonement due to its representative nature and the seriousness of the crime.**

<**In summary.... Animal sacrifices can be described this way...**>

# Atonement

“It is on this day that **atonement** shall be made for you to cleanse you; **you will be clean from all your sins** before the Lord.”

~Leviticus 16:30

“The **life** of the flesh is in the blood, and I have given **it** to you on the altar to make atonement for **your** souls; for it is the **blood** by reason of the **life** that makes **atonement**.”

~Leviticus 17:11

Sanctification

Reconciliation

SEEING THE **BIG**

**SO here is a visual of how animal sacrifice worked.**

Man is spiritually dead and separated from God.

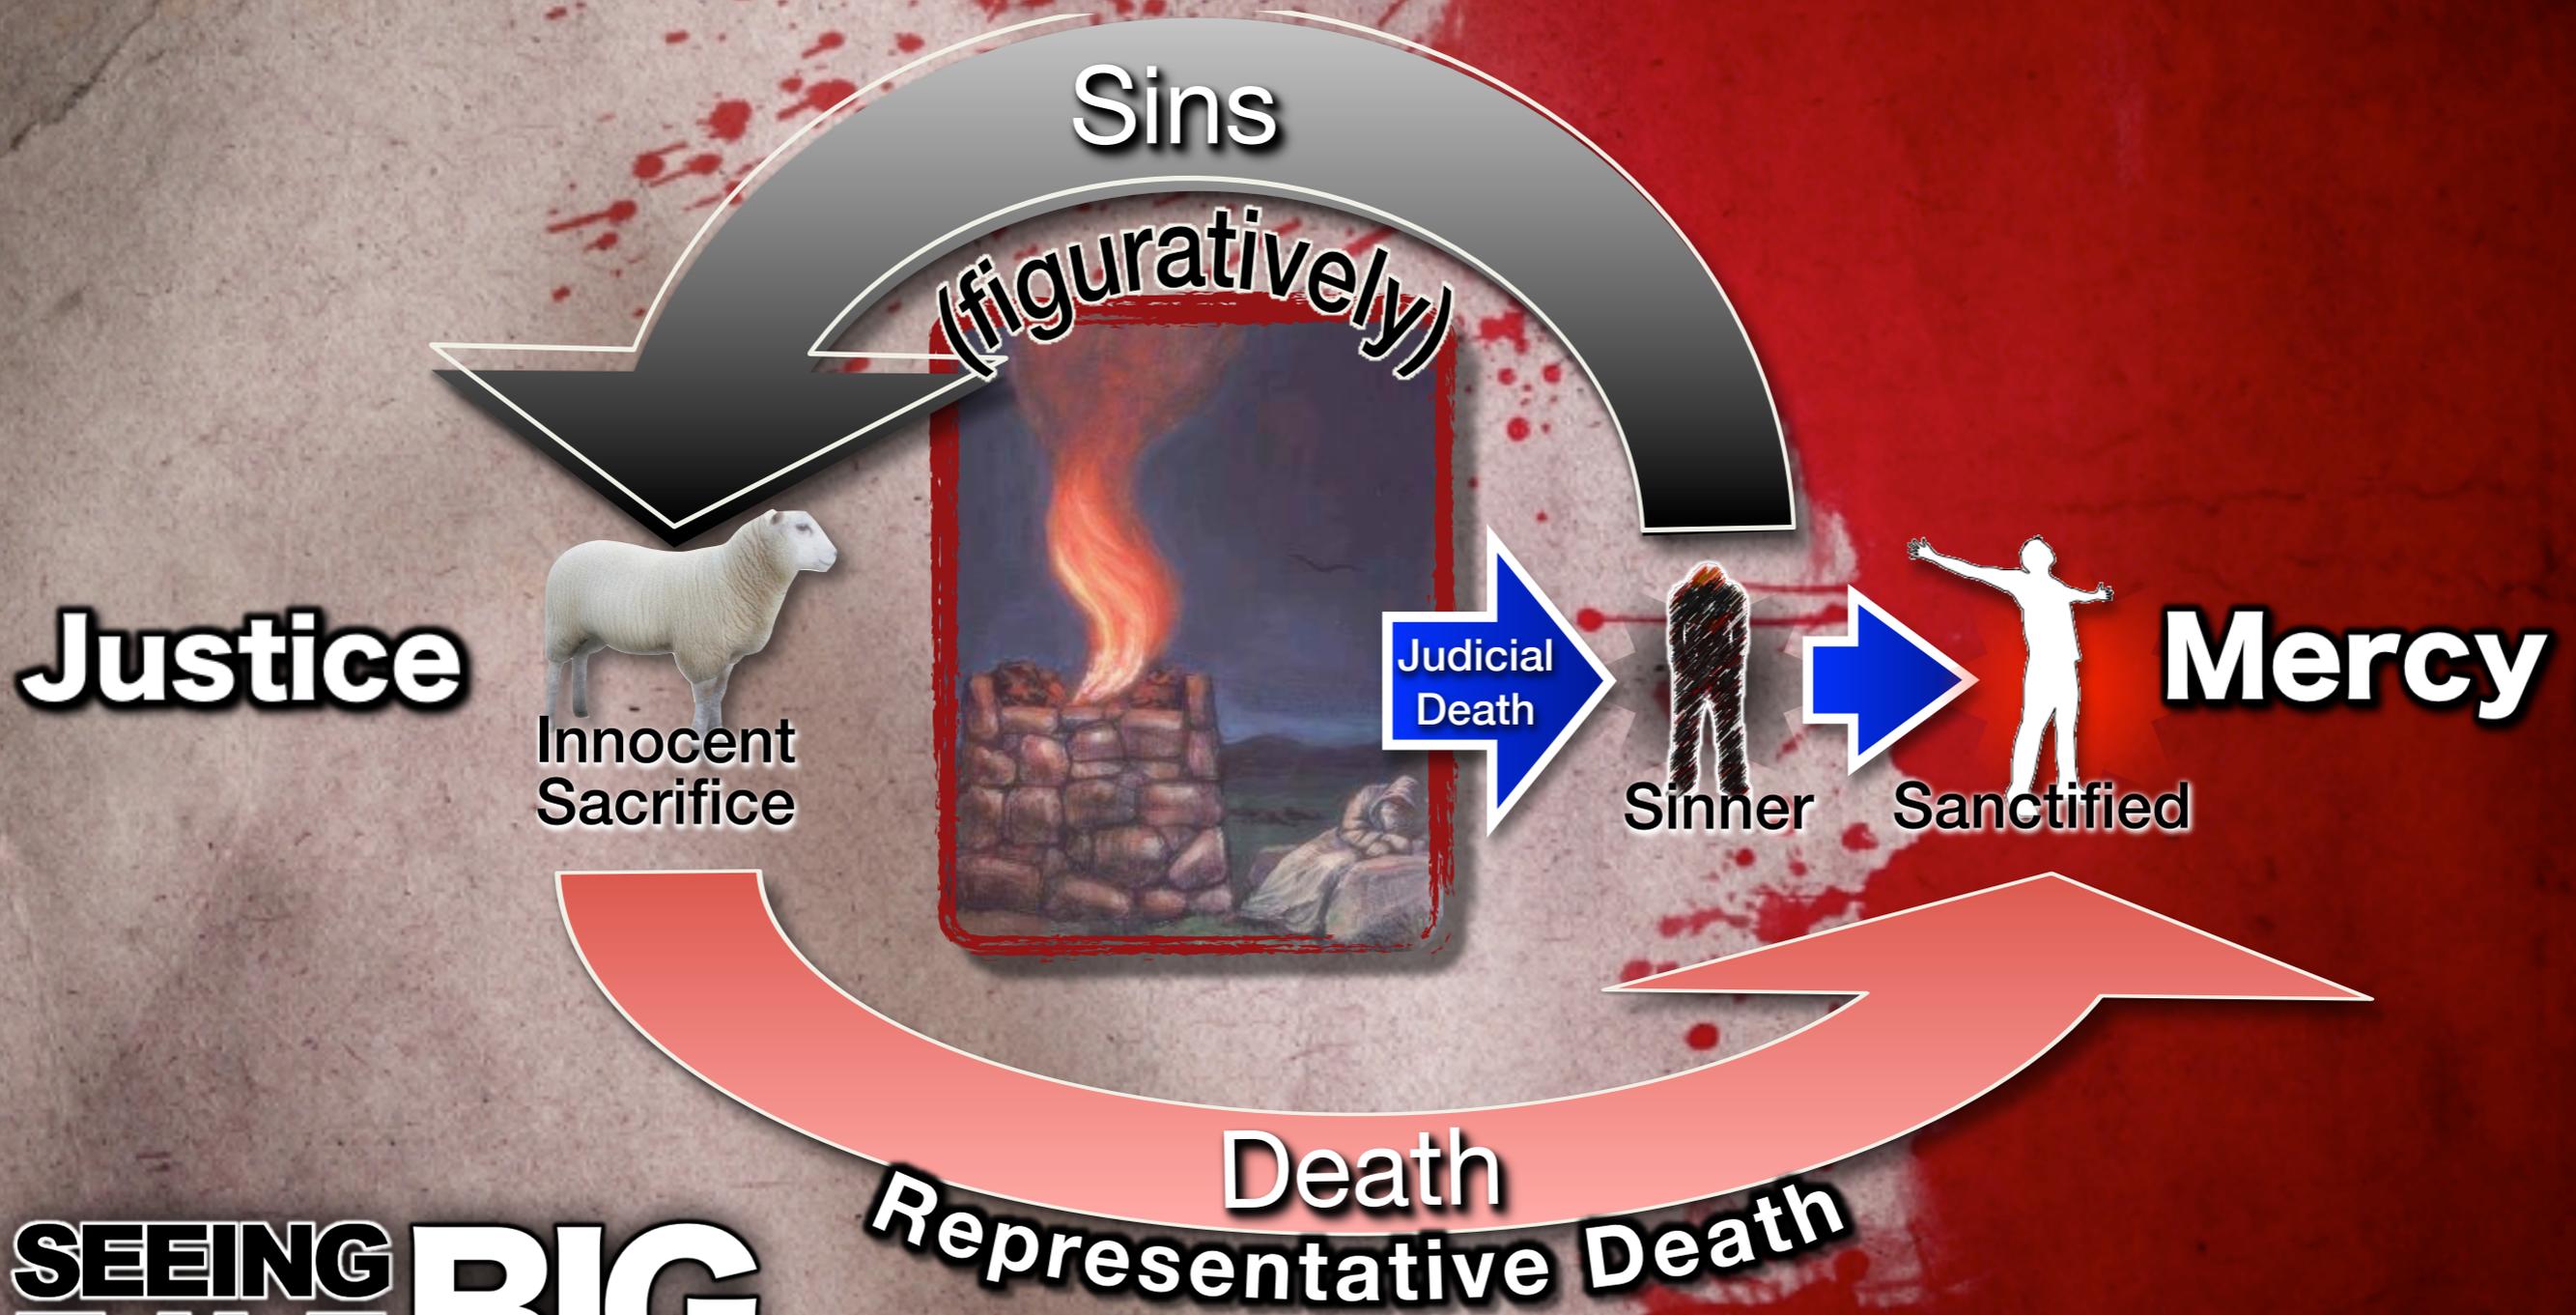

His sins are figuratively taken over and put on the animal (figuratively because the animal has no spirit, it cannot bear sin).

The animal is killed on the altar. As a result it is as if the sinner had died ... so there is a **representative death**.

The sinner is now sanctified and holy having received God's mercy and allowed to keep living....

This also shows God's justice in that a death took place so that the penalty was paid!

# Animal Sacrifice

SEEING THE **BIG**

**What made this work?** The woman who believes in the doctor's orders and prescribed medicine must **take the pills to get well.**

The biblical concept of faith is seen in these animal sacrifices. Couldn't just believe in animal sacrifice. The animal obviously **had to be killed** (Hebrews 9:22). Maybe Dad didn't want to do it because it is raining and cold. **Without obedience, no mercy or benefit was received.**

Or perhaps in the next generation, son does it because dad always did it without faith or understanding what it all means. **It would be meaningless if not done by faith from the heart!**

Illust. Keep in mind it is similar to receiving a "free gift." Suppose someone gives you a **birthday gift** and inside there is a check for a considerable amount of CASH. **If you had faith and believed there was money in the bank you would endorse the check and take it down to the bank to cash it.**

Just because you had to endorse the check and cash it does not mean you in any way earned it. It was "free money" but there were some conditions attached to your receiving benefit from the gift. **By signing the check you were just accepting the gift.** Similarly, when they offered the animal sacrifices, they did not earn their mercy, they were just accepting God's provision through faith. **<The Bible is replete with examples of faith>**

**Abraham obeyed God and left Ur, etc.**

What do they all have in common? They all demonstrated their faith by their actions

Genuine **faith** requires  
belief-based **action!**

Here is this famous definition of faith and we see both components of faith in this verse----- **BELIEF BASED ACTION!**

What is it, is it works alone, or belief alone? It is a combination of the two.

James 2:14 deals with this question directly by asking a rhetorical question:

“What good is it, my brothers, if a man claims to have faith but has no deeds? Can such faith save him?”

Saving faith must be belief-based action.

This concept is called trust or acceptance. This is only effective when it is belief-based action.

Most of our religious friends don't really believe in the doctrine of belief only... they use words like you must trust...you must accept... both which imply the person must do something more than just believe!

<**James addresses this issue further**>

# Genuine Faith

“**Without faith it is impossible** to please Him, for he who comes to God **must believe** that He is and that He is a rewarder of those who **seek Him.**”

belief-based **action!**

Believing is not enough.... **True Faith works!**

Illust. **Fire and heat.** If you have real fire, you always have heat as a by-product. Always. If you have real faith, you will always have action as a by-product to show it is real as well.

There it is. The **plan of redemption in a nutshell.**

Why did he call Jesus an animal? What was he communicating to the Jewish mind by calling Jesus an animal? Particularly a *lamb*? **God's lamb.** God's sacrifice!

In calling Jesus God's sacrifice....we can learn that Jesus did not die accidentally, or because things went bad and He was unable to set up the kingdom at that time. No this was all a part of **God's eternal purpose! The very purpose of a sacrifice is to DIE.**

**Jesus lived a sinless life.** If he had committed even one sin he could not have died for our sins, because He would have had to die for His own sins!

This is why the NT emphasis on His *sinlessness* is so important! Jesus is the perfect spirit being that unlike bulls and goats could be a fitting substitute or sacrifice that could save man from sin!

who takes away the sin of

These passages describe the fact that he came as a **ransom for many**. Illust. The idea is that we have been carried off into the captivity of sin by Satan and had no way to get back to God out of the bonds of the strongman.... *Until Jesus came and paid the price for our release!*

<**Let's look at the idea that Christ actually came to fulfill the Old Testament!**>

Christ's sacrifice – brought redemption... and the price was not silver and gold but the precious blood of Jesus.

In coming, Christ came **not to abolish the law but to fulfill it!** In fact it was the laws very purpose to bring us to Christ (Gal 2:24). Christ was the ultimate **culmination and fulfillment of all the OT sacrificial system.**

## Judicial Death

We see Christ on the cross bore our sins that we might die to sin. Christ collectively took all the sins of mankind on the cross, paid the judicial price on our heads for us, so that we could be sanctified.

**Illust. Imagine all the sins from Adam to the cross, and from the cross to the end of time, and all of those sins were borne by Jesus in His body on the cross in one huge nauseous mass.**

Amazing! It was during this time from 12 Noon – 3:00 P.M. that the world was plunged into darkness. Jesus went through this time of darkness so that ultimately He could become the light of the world!

Christ's death is accounted over to the sins of the sinner so Christ could die in the sinner's stead.

## Reconciliation

Here is the great summary ... In Colossians 1:22 (read)

Reconciliation is achieved by what? Christ's physical body.

What was the result? We can be presented as holy and free from accusation.

## Spiritual Death

Revelation 2:11 “He who overcomes shall not be hurt by the second death.”

Revelation 20:11 “Blessed and holy is the one who has a part in the first resurrection, over them the second death has no power!”

As stated earlier, the first death is when our spirits separate from our bodies. It will be overcome when all that in the graves will come forth and hear His voice (John 5:28)!

The real mission of Jesus is not just to save us from physical death, but spiritual death. He wanted us not to have to be separated from God eternally! That is the most serious penalty for sin that Christ paid for us on Calvary. He experienced the second death on the cross when He bore our sins and literally became sin for us (2 Corinthians 5:21). Sin always brings about separation from God (Isaiah 59:1-2) which is why Jesus cried out in Matthew 27:46 “My God, My God, why hath thou forsaken me? Jesus was quoting Psalm 22:1. He knew this dreaded moment was coming. “The soul that sinneth, it shall die” (Ezekiel 18:20).

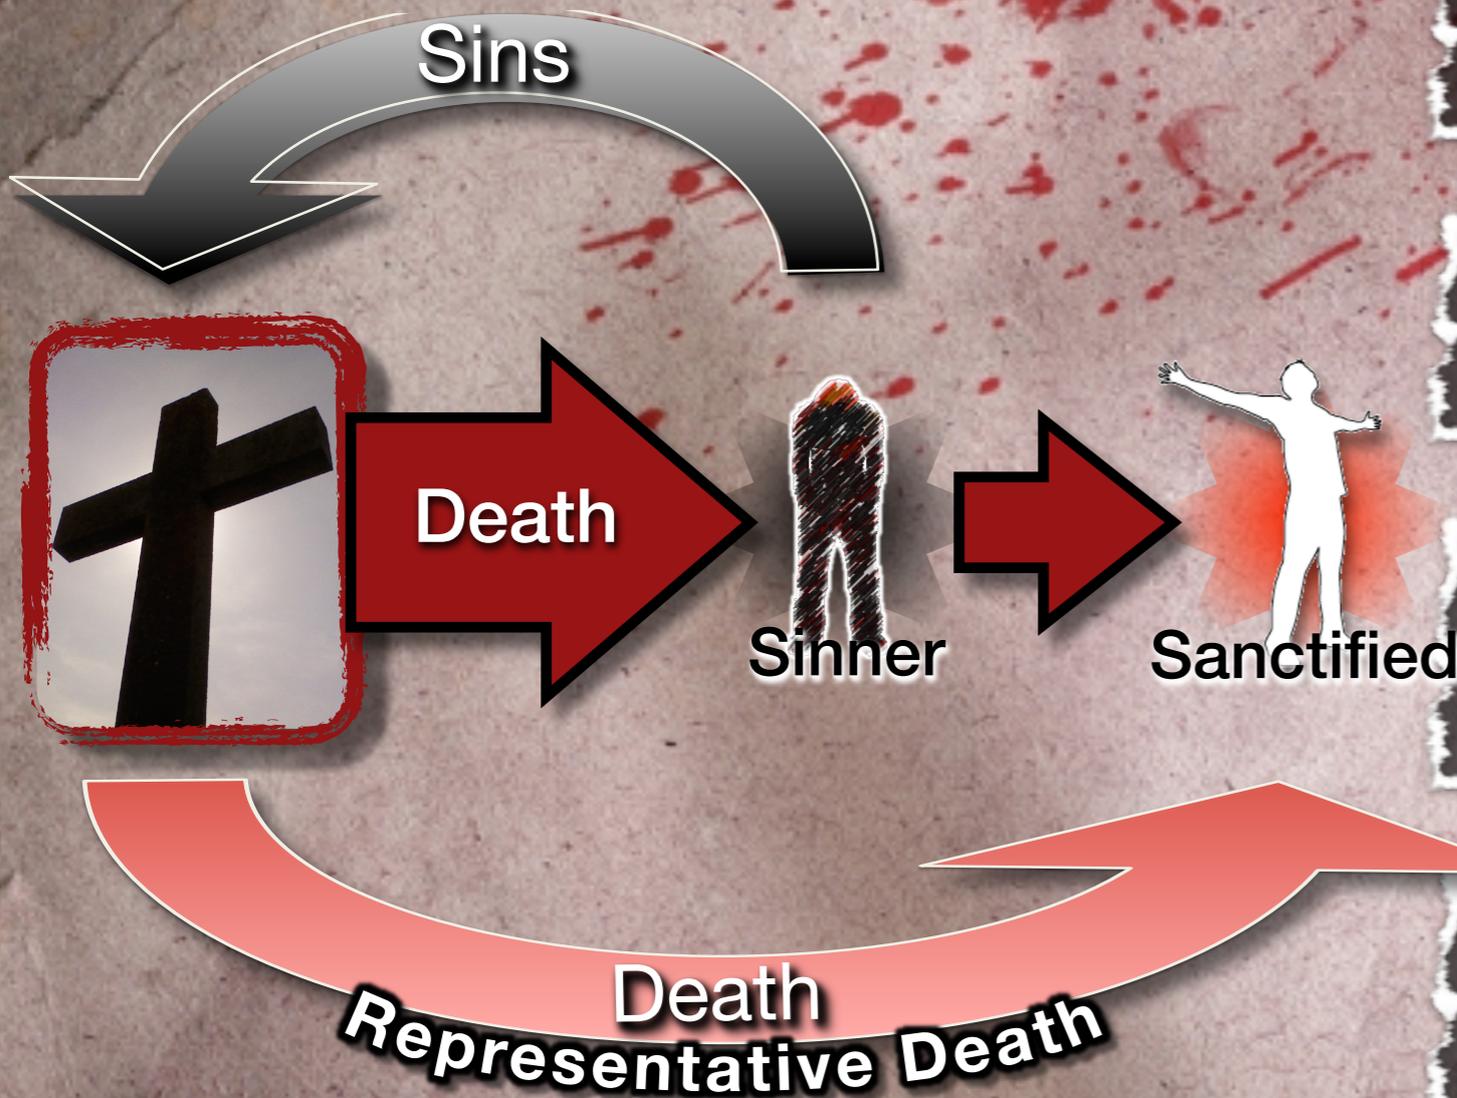

Jesus did not sin personally, but he chose to suffer the penalty of sin for us as the lamb of God so we would not be hurt by the second death! He suffered the ultimate --spiritual death-- for us so we would not have too! This is the real message of Christ's sacrifice that is often overlooked!

## Propitiation By Faith

Another Summary: Romans 3:23-25

**How are we saved?** Through our faith in what Christ did and his work on the cross, which allowed him to be a propitiation (substitute offering which turned away the wrath of God) through **faith in His blood**.

# Christ's Sacrifice

## Judicial Death

“He Himself **bore our sins** in His body on the cross, so that we might die to sin.”

~1 Peter 2:24

## Removes Sin

~Romans 6:6

## Spiritual Death

“Him who knew no sin **to be sin** on our behalf.”

~II Corinthians 5:21

“The person who sins **will die**.”

~Ezekiel 18:20

## Reconciliation

“He has now **reconciled you** in His fleshly body **through death**, in order to present you before Him **holy** and blameless and beyond reproach.”

~Colossians 1:22

## Propitiation by Faith

“All have sinned and fall short of the glory of God; being justified freely by His grace through the redemption that is in Christ Jesus: whom God set forth to be a propitiation, **through faith, in his blood...**”

~Romans 3:23-25

What brought this to evidence?

After being in the grave for three days... Christ.... **Was declared to be the son of God with power by the resurrection from the dead (Romans 1:4).**

Christ wanted His resurrection to send this strong proof of His deity and His power.

His follower's thought it was all over, but when Sunday came and they saw the risen Lord...it changed these men who had formally been cowards! All the apostles except John died martyred courageous deaths. No one would die for something they knew was a lie? No one. Especially not these men!

As we take a look at all the elements of plan of redemption it should be obvious that Jesus died paying the judicial price for our sins....

**Representatively** – the sinner died with Him, through faith paying our judicial price for sin as well.

Therefore, we should not be surprised to see this type of language found throughout the NT.

I Peter 2:24 “that we might die to sin.”

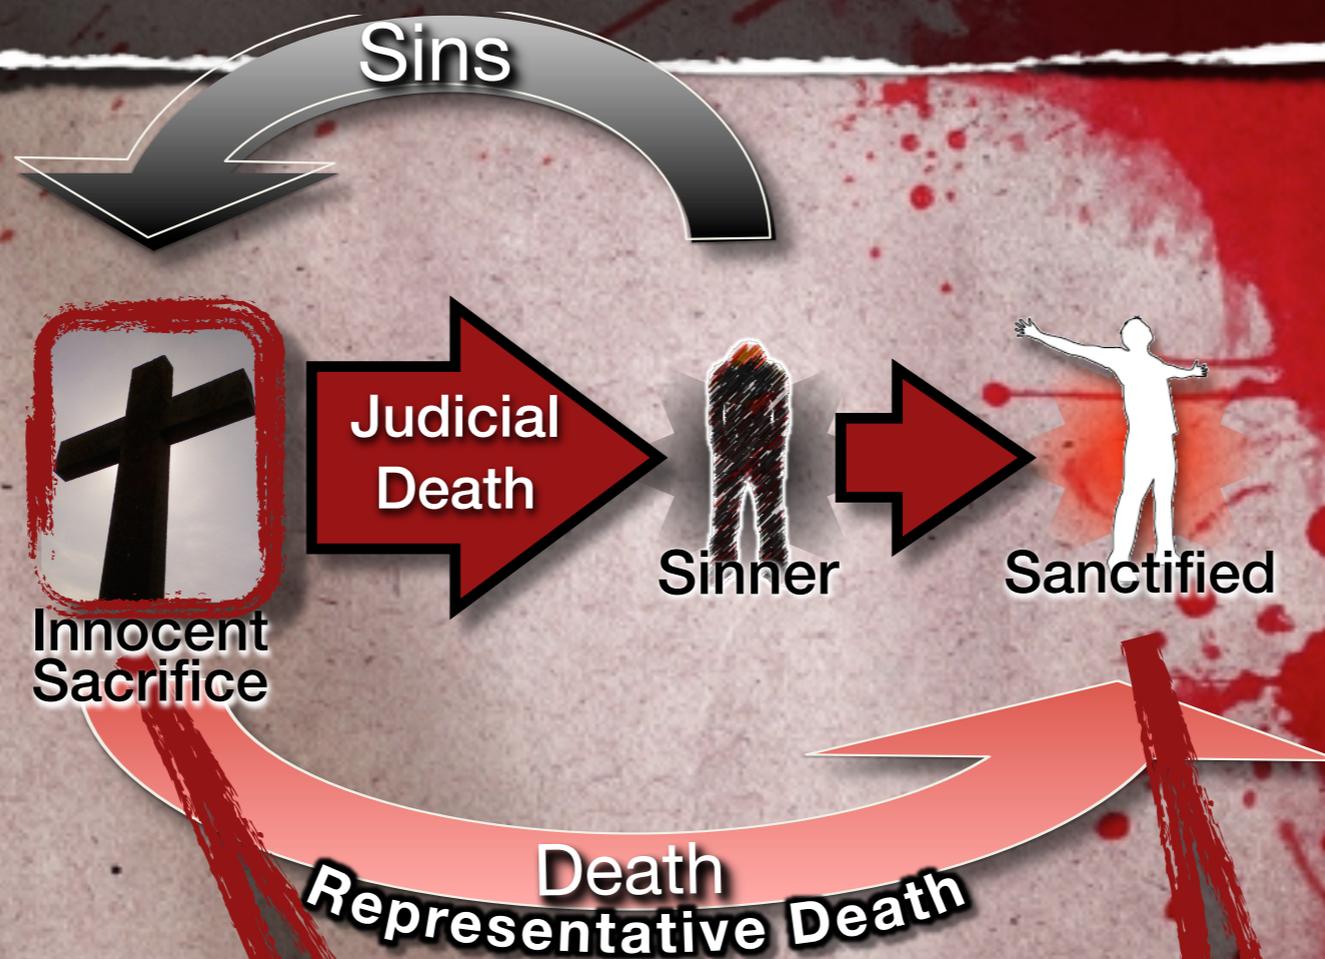

Romans 6:6 “Our old self was crucified with Him that our body of sin might be done away.”

Christ's death represents the death of the sinner!

Now, if this is the gospel message that Christ died in my place when he died for me. These four points become important requirements connected with the death of Christ.

**What would be the question if you heard this gospel message and believed it?**

You heard this message, that by dying with Him by faith and accepting God's grace, that you could have your sins forgiven....  
**what would be the first question you would ask?**

**Don't think of the answer, what is the question?**

Hint - One word.

# Our **sins** can not and **will not** be forgiven unless...

We have **died** with Christ.  
We have been **united** with  
Christ in His death.

We have been **crucified**  
with Christ.

# When?

When does God view me as uniting with Christ in His death?

When does God view me as crucified with Christ?

When do I die to sin?

When do I die with Christ?

Now if you ask this to people today you get a lot of different answers. Why?

**Different gospels.**

Do you suppose that God would put in place the scheme of redemption and have millions of animals killed over thousands of years just to prepare the way for His son (the Lamb of God) and then have Christ go through the anguish, suffering, and cruel death on the cross – to die in my place – and then leave us in confusion as to when Christ's death became mine!

Can you believe it? That God would make this some fuzzy mystery? The confusion doesn't come from God. It comes from man. We need a Bible answer, not an answer based on human reasoning, tradition, or human emotion. **We want God to answer the question and we want to accept His answer.**

< Let's go to the book. Paul in Romans 6 deals with an error in his day of some thinking that grace was license to sin. In answering that error he answers our four questions for us.>

The fundamental question of the gospel is...

# When?

**When** does God view me as...

uniting with Christ in His death?

crucified with Christ?

**When** in my faith do I...

die to sin?

die with Christ?

Here is one of our four questions:

When did Christians die to sin?

He answers that in our next verse for us.

We must have Bible answers

What shall we say then? Are we to continue in sin so that grace may increase? May it never be! How shall **we who died to sin** still live in it?

There is a clear answer to the question of the point when a Christian dies to sin when he/she is **baptized into His death!**

It makes sense doesn't it? Christ shed His blood in His death, and the power is in the blood. **One contacts the blood of Christ when one is baptized into His death where His blood was shed!**

That is the point...immersion in water, which symbolizes the death, burial and resurrection of Christ and is the point at which one **dies with Christ and is baptized into His death!**

In 2 Corinthians 5:17 it says that in Christ all things become new..... We become a new creation in Him, all the former things are passed away.

The whole purpose of Christ coming to this earth and being the lamb of God is so those who come to Him could die with Him and have our sins removed.

Here is the answer to question #4.

When or How do I die with Christ? **When I am baptized into Christ and into His death...**

(The following is optional material if needed:)

Notice what the Bible says about the blood of Christ:

It Cleanses us from all unrighteousness (I John 1:7)

It Obtains for us forgiveness of sins (Ephesians 1:7) We are redeemed by His blood (Colossians 1:14)

**Identical or similar things are said about Baptism:** Cleanses/ washes away sins (Acts 22:16) Obtains forgiveness of sins (Acts 2:38)

Served as a good conscience/ doth now save us (I Peter 3:21)

**CONNECTION OR CONTRADICTION?** Nothing but the blood of Jesus saves us, but the act of faith as we respond to the gospel is the point when we connect to His blood, because that is where He shed His blood in His death (John 19:34)!

“If we have **died with Christ**, we believe that we shall also **live** with Him.”

Vs 17 tells us how this works.... It is not some superstitious act where we could just grab people and put them under the water and they would be saved after we said the “magic words” over them ... No.... of course not!

A PERSON must become obedient from the heart--- baptism was an **act of faith!** In essence I have received the “free gift” – (eg. Similar to the check I have been given, I believe in it, I now by faith am willing to endorse the check and take it to the bank!

The action of baptism is simply the **action of an obedient faith.**

**Notice:** One here must be obedient to that “form of teaching” to which you were committed. Eg. I can’t obey a fact – like the Death, Burial, and Resurrection of Christ, but I can obey a form of that fact....when I participate in the Death, Burial, and Resurrection of Christ when I am buried with Christ and arise to walk with Him in newness of life! Remember, it is not enough to just believe the Gospel, one must **obey it** (2 Thessalonians 2:1-7)! This is how one applies to his account in heaven the blood of Jesus to cover (atone) for his sins.

(Optional material if you think would be helpful:)

**IMPORTANT ANALOGY: Think of baptism as the “Believer’s Wedding Ceremony.”** The important thing is that you have love and faith in the person who you want to marry. But you are not married and do not become one with that person, until you exchange your vows and go through the married ceremony. Similarly, we must love Christ, and be touched by the gospel, and decide to become one with Christ. All of this comes to fruition when by faith go through the ceremony by which we become one with Christ! Once you become one with Him in the watery grave of baptism, you now live with Him and for Him and take on His name!

In summary...

This spiritually dead man is buried into Christ's death. Sins are removed in baptism and he/she is united with Christ's death. **Sanctification** occurs. He is made holy. He is set apart for God's service.

Simultaneously, with the sins washed away, **Justification** occurs. The price of sin is no longer on his head.

Finally, the key objective is achieved.

**Reconciliation** occurs with a Holy God. A new life and spiritual fellowship is regained!

**Romans 6**

Here we have a very important list. Seven things upon which Christians must be unified.

## **Why is baptism on this list?**

If this were just optional, not very important, just something you do as a sort of fuzzy symbol reenacting the DBR of Jesus, why is it on this list? It is up there with one lord, one faith, one spirit, one father... **amazing.....**

Why is this given such a place of importance?

If we understand from Rom 6 that baptism is the place where one is **united with Christ, contact His blood, and become one with him in the believer's wedding ceremony...it becomes clear!** Baptism is where we are put into Christ, and have our sins forgiven...so this is of monumental importance!!

Notice there is only **ONE baptism**, just like there is only one gospel. It is not the gospel, but it is the response to the gospel where each individual taps into its power by faith.

**<How could we find out what the one baptism is? The book of Acts shows us historically what is being referenced here and why it is so important.>**

# 1 Baptism?

“Being diligent to preserve the unity of the Spirit in the bond of peace. There is **one body** and **one Spirit**, just as also you were called in **one hope** of your calling; **one Lord, one faith, one baptism, one God and Father** of all who is over all and through all and in all.”

Acts 2 records Peter is preaching the gospel for the first time... The people have heard it and believed it.... They ask: What must we do? (Acts 2:37).

Peter could have answered their question in all sorts of ways....

## **THE ANSWERS OF MEN**

- There is nothing you can do! Christ did it all!
- Just believe!
- Call out Jesus' name.
- Pray the sinner's prayer.
- Pray through.
- Accept Jesus into your heart.

The **Gospel Response** is to **repent** (stop sinning) and **be baptized** for forgiveness of sins.

Let's go back to Jesus' final commands that he gave to His followers before he ascended up into heaven....

We started off by saying that Jesus commanded that **the gospel be preached**, but if you complete the command you see he also said "He who believes and is baptized shall be saved."

Christ knew how important this was... it was not just by virtue of keeping this command, per se, but by virtue of accepting the gift of salvation by grace and being united with Him.

# The Great Commission

“Go into all the world and preach **the gospel** to all creation. He who **has believed and has been baptized shall be saved**; but he who has disbelieved shall be condemned.”

~Mark 16:15-16

SEEING  
THE **BIG**  
PICTURE

This urgent and important command was the last words of Jesus before ascending!

**REMEMBER: Every person has in their life, a cross and a throne.**

The call of the gospel is for those who have been their own tin God, sitting upon their own throne and turning up their nose at Jesus on the cross, to humbly get off the throne of their lives and enthrone Jesus there instead, so they can then take up His cross and follow Him! **Won't you accept the promise and gift of God's son today? And be baptized for the remission of your sins by faith in the blood of Christ?**

If you believe in Christ and have faith in His blood, and are willing to repent of your sins and confess His name... then you are ready to die with Him and have your sins removed, and enter His kingdom and live a life of faithful loving obedience to Christ as king and have every confidence that you will spend eternity in heaven.

But if you reject this gift there will be no hope for you... there is no other basis on which God will forgive sin...nothing but the blood of Jesus.

**Do you want to die with Christ today?**

# Do you want to die with Christ?

SEEING THE **BIG**  
PICTURE

If the answer is yes, I am ready.... **count the cost...**(Luke 14:25-32). Remind them that baptism is not the end it is just the beginning. Jesus in the Great Commission made it clear that there is **to be teaching after baptism in order for one to understand the work and worship in the Kingdom.**

In short, one can't have Christ and reject his body, which is the church family (Colossians 1:18)! They need to continue to die with Christ and that means die to sin and live for Him. Otherwise, this new relationship is meaningless.

Remember: Baptism is the point where one comes to be “wed” to Christ and wear His name. It is the day you make your commitment to him to serve Him and “be faithful until death” (Revelation 2:10). The church family is here to help you. That is God’s plan and we must make a commitment to grow in the grace and knowledge of our Lord Jesus Christ (2 Peter 3:18).

Keep in mind that once you “obey the gospel” you are added to the church universal. A separate decision needs to be made concerning where you choose to worship and the local church you choose to place your membership.

**Would you like to become a part of the congregation here and worship with us as well as a part of your commitment?**

# The Great Commission

“Go therefore and **make disciples of all the nations**, **baptizing them** in the name of the Father and the Son and the Holy Spirit, **teaching them** to **observe all that I commanded you**; and lo, I am with you always, even to the end of the age.
